Garages are available at many CHS communities with limited availability. Prices vary by community. Please call us for details. Please be aware that most communities require an additional property application to be completed. CHS will notify each resident should that become necessary, upon placement. CHS will use its best effort to accommodate all students; however, applications submitted within 30 days of requested move-in dates may be wait-listed until housing can be prepared. Preferences are considered on a first come, first served basis. Placement and/or options in specific communities cannot be guaranteed, as new properties may be substituted to ensure housing availability and their pricing may vary. Move-ins occurring on the 21st of the month or after require a prorated rental amount to be paid at move-in & the first full month's housing payment. Applications are subject to basic credit and criminal background checks. Additional background checks may apply for certain properties.
